(b) if so, what steps Government propose to take to improve the situation and provide enough cement to ensure proper development in Arunachal?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY AND COMPANY AFFAIRS (SHRI ARIF MOHD. KHAN): (a) and (b) Allocation and despatches of levy cement to Arunachal Pradesh under the State quota including Irrigation and Power Projects during 1984-85 and 1985-86 (April—June 1985) have been as under:—

(*In lakh tonnes*)

Period	Allocation under State quota including Irrigation & Power	Despatches including Irrigation and Power	Percentage of Despatches to allocation
1984-85	0.58	0.24	41
1985-86 (April-June, 1985)	0.15	0.06	40

The shortfall in despatches as against allocation is primarily due to constraints in movement of cement by rail across Farakka. The despatches of cement to the North-Eastern Region (including Arunachal Pradesh) is being monitored regularly.

Import of Pentazocain

2240. SHRI MIRZA IRSHADBAIG: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to refer to the answer to Unstarred Question 1306 given in the Rajya Sabha on the 13th May, 1985 and state:

(a) what was the quantity of Pentazocain imported during the last three years, year-wise, its source and the average landed cost per kg.;

(b) what are the names of three major brands based on this drug;

(c) what is the sales turnover of each drug during the last three years, year-wise;

(d) what was the price fixed for each pack and strength-wise;

(e) whether it is a fact that Dextropropoxyphene is banned for import and is being produced; if so, the price fixed for it; and the names of three major brands based on this drug, and the sales turnover of each during the last three years, year-wise;

(f) what was the price fixed for each pack, indicating the composition, and strength of each brand; and

(g) what is the annual sales turnover of Analgesic and Antipyratic formulations and what percentage has been recommended for price decontrol by NDPDC?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VEERENDRA PATIL): (a) Details of import of Pentazocian Hydrochloride and Pentazocain Base during the last three years and the value of imports are given below:—

Year	Quantity (Kgs.)	CIF Value (Rs./lakhs)
Pentazocain Hcl :		
1981-82	304.0	32.97
1982-83	338.6	37.05
1983-84	360.5	36.38
Pentazocain Base :		
1981-82	Not available	Not available
1982-83	324.0	43.11
1983-84	537.0	60.07

Source-wise imports are not available and the landed cost of import depends upon the customs duty prevalent from time to time.

(b) to (d) The major brands based on this drug are marketed by M/s. Ranbaxy Laboratories and Win-Medicare. The details of turnover during the last three years are not monitored. Details of prices fixed of the popular brands are being collected and would be laid on the Table of the Rajya Sabha.

(e) to (g) Imports of Dextropropoxyphene are not banned under the import policy. The process of fixing the price of the drug is at an advance stage. The details of prices fixed for each brand and their sales turnover as well as the total sales turnover of Analgesics and Antipyretics are being collected.

Re-endorsement of formulation capacity of M/s. Abbott Labs.

2241. SHRI HAYAT ULLA ANSARI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is a fact that re-endorsement of formulation capacity was done in favour of Abbott Labs with a condition to achieve ratio parameter of bulk drugs and formulations before 17th August, 1984;

(b) if so, what was the production of bulk drugs and formulations, on 31st August, 1984 and what was the percentage between the two;

(c) whether it is a fact that in case of failing to achive the required ratio, the company is required to export the total production of formulation; and

(d) if so, what are the details of exports, indicating the names of formulations, composition, quantity of each and the country to which exported?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VEERENDRA PATIL): (a) to (d) The information is being collected and will be laid on the Table of the House.

Production of drug by Cipla

2242. SHRI HAYAT ULLA ANSARI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) what is the ex-factory cost of production of bulk drugs and formulations of Cipla and ratio percentage during the last three years, yearwise;

(b) whether it is a fact that Cipla is 100 per cent Indian Company and had neither imported any technology nor paid any royalty;

(c) if so, for what bulk drugs this company developed the processes either individually or with the help of Government laboratories;

(d) what is the policy in regard to ratio parameter for India company and numbers and names of bulk drugs produced by this company first in the country;

(e) whether it is also a fact that this company developed technology for production of important anticancer drugs from basic stages such as Vincrestine, Vinblastine, Futra for and the only company to produce commercially in the country; and

(f) what are the awards which the company got during the last four years in regard to exports and development of technology etc?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VEERENDRA PATIL): (a) to (f) The information is being collected and will be laid on the Table of the House.

On-the-spot verification of unauthorised Plant and machinery of drug companies

2243. SHRI SURESH PACHOURI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether the report in respect of on-the-spot verification of unautho-
